

April 10, 2020

Dear Jireh Team Members,

On April 10, 2020, Governor Whitmer issued an extension to the Shelter in Place order for all of Michigan (Executive Order 2020-42). Based upon the “Guidance on the Essential Critical Infrastructure Workforce” and the designation by our customer partners as an essential partner in their business, Jireh Metal Products, Inc. continues to meet the requirements outlined by CISA. Our customer partners provide products that are used in the sectors that are exempted from the Executive Order 2020-1. As such, our critical workforce will continue supplying these critical manufacturing partners with the parts needed to meet their obligations. We are a critical part of their supply chain, and these customers rely upon us daily. Please refer to the customer letters received from our customer base. The specific CISA designation is as follows:

- CISA – Essential Critical Infrastructure Workforce
 - Critical Manufacturing:
 - Workers necessary for the manufacturing of materials and products needed for medical supply chains, transportation, energy, communications, food and agriculture, chemical manufacturing,

Consistent with Executive Order 2020-42 (5a), you provide essential services that sustain the operation of hospitals, data centers, emergency services, and other critical manufacturing sectors designated by The Department of Homeland Security. According to the Executive Order 2020-42 (4b), you are not required to carry a copy of this designation.

Our Team Member safety, health and well-being are of the utmost importance, and we will continue to comply with the guidelines outlined by Governor Whitmer’s Executive Orders and that of the CDC. To this extent, we urge all employees to continue the posted practices of social distancing, proper handwashing methods, documented disinfecting and sanitizing procedures, and all other methods recommended by the CDC.

Your safety and wellbeing is our utmost concern.

Sincerely,

A handwritten signature in black ink that reads "Michael Davenport". The signature is written in a cursive, flowing style.

Michael Davenport,
President/CEO
