

MICHIGAN COVID-19 VACCINATION IMPLEMENTATION SCHEDULE

The anticipated implementation schedule for moving through the CDC Phases is illustrated below. This schedule is provisional and will change over time.

Preliminary vaccination timeline

(**EXPECTED TO CHANGE BASED ON VACCINE AVAILABILITY**)

■ Core vaccine administration period ■ Vaccines continue to be available for anyone not yet vaccinated

Estimated schedule for first doses administered

Phase	People covered	Dec	Jan	Feb	March	April	May	June	July	Aug	Sept	Oct	Nov	Dec	
1A	Healthcare workers	■													
	Long term care residents and staff	■	■												
1B	75 years and over not covered in Phase 1a		■												
	Frontline State/Federal responders		■												
	School and child care staff		■												
	Corrections staff		■												
	Other essential frontline workers							■	■						
1C	65-74 years old		■												
	16-64 with COVID-19 risk factors/pre-existing conditions							■	■						
	All remaining essential workers													■	
2	16 to 64 years not covered above													■	

By Jan. 11, 2021, all areas of the state may, as vaccine supplies are available, implement vaccination of people who are health care workers or working or residing in long-term care facilities (Phase 1A Priority One and Three), age 65 years or older (Phase 1 B Group A and Phase 1C Group A), or frontline workers whose work role has frequent or intense exposure, and, due to the nature of the work, are not able to maintain social distance (including frontline responders, school and child care staff, or corrections staff) (Phase 1B Group B). Vaccination will take place in different phases that occurs simultaneously.
